Budget

A review of finances and expenditures were presented by Mary Tilton. WVA is financed through the Robert Ragir Endowment Fund, managed by Greater Milwaukee Foundation; membership dues; Biennial/Perspectives entries and donations. Chapters contribute to state half of dues and some Biennial awards. Each chapter has their own budget.

After reviewing our chapter’s proposed Spending Document for 2023-2024 a motion passed to eliminate the Zoom account to record meetings, and change chapter sponsored shows juror fee from \$500 to \$150.

The WVA South Central Chapter 2023-2024 Operating Budget and approved Spending Document are attached.

Critique

A member critique followed the review of the budget.
