Round 6 - December 7, 2024

The Ronald McDonald House is on Watertown Plank Road in Wauwatosa across from Children's Hospital. Our mission is to keep families together and promote the health and well-being of children, many of whom are being treated at Children's. At any given time, we are able to house up to 84 families, thanks to a recently completed expansion.

At the beginning of 2023, a fourth wing of the House was opened, dedicated to families staying long-term (60 days or more). This new expansion features 14 beautiful guest suites, a conference room, various administrative offices, family gathering spaces, and our new main entrance for families, donors, and volunteers to check-in.

Wisconsin Visual Artists is a nonprofit 501(c)(3) membership-based organization of visual artists working in all media and styles. All visual artists living in Wisconsin may become WVA members. Full history, information, and benefits are listed online at
